FEEDBACK ANALYSIS OF STAKEHOLDERS
(2015-2016)

Feedback Analysis

2015-16

Feedback is valuable information that will be used to make important decisions in the educational setup. The feedback mechanism is helpful for the educational organization to improve the quality in terms of curriculum and teaching learning environment. RKMVERI collects feedback from teachers, students, employers, parents and alumni to formulate better decisions to improve and increase the performance and quality of the institution.

Students' Feedback

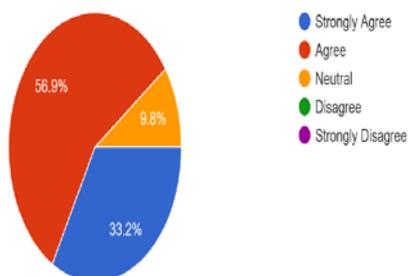

The University has obtained feedback on curriculum from students through questionnaire which contains the following major aspects such as curriculum, allocation of the credits, course content and adequate infrastructure. Totally 325 students gave their feedback on curriculum. 90.1% of the student population agreed that the allocation of credits is appropriate in relation to the level of course work and the content of the syllabus is very much appropriate to the programme. Majority of the students strongly agreed that the syllabus is covered by the teachers on time. Around 85.5% of the students agreed that the content provided in the syllabus is well sequenced and equipped them with necessary technical skills required for their professional areas. It is observed that 84% of the students agreed that the courses are in tune with their respective field of specialisation areas. The feedback revealed that 43.4% of them agreed and 39.4% strongly agreed to the point that the elective courses that are offered are much relevant to the specialisation streams and technological advancements. It is revealed 85.8% agreed that the laboratory experiences and practical exposure given to them enhanced their understanding of the concepts and enable them to relate theoretical components to practice.

Feedback analysis report

- From the analysis of the students' feedback it is revealed that they are satisfied with the curriculum framework.
- It is reported by the students that the physical facilities such as classrooms, library, laboratories and sport facilities are adequate.
- Also, the students with disabilities expressed that they are able to receive all kinds of supportive services that are specifically required for them.
