Sub : Final NOC for starting
i) M.Sc. in Medical Laboratory Science and Technology
ii) M.Sc in Critical Care Science and Technology courses in the School of
Biological Sciences of RKMVERI, Deemed University, Belur Math, Howrah.

Ref. No. RKMVERI/NEWCOURSES/NOC Dated 26/06/2023

In connection with the above mentioned reference and subject, the views of Addl. DHS (A.A.&V), Swasthya Bhawan placed below :-

After the examination of records and information submitted it may be concluded that instead of providing depreciation in the Income and Expenditure Account it has customarily been charged directly to the fund account by corresponding credit to the assets account which is contrary to the matching concept and conceptual accounting framework. It is also to be noteworthy that certain addition to the Fixed Assets has been booked in the Income and Expenditure Account even if such procurement is in the nature of Capital Expenditure. These practices are not commensurate with the general accounting policies and guidelines issued by ICAI.

However, considering the objective of benignity of the applicant purely for not for profit purpose alongside its conspicuousness for its righteousness and judging the other financial parameters for gauging the viability of the opening of the proposed courses it may be opined that the applicant. The Ramkrishna Mission Vivekananda Education and Research Institute (RMVERI) is financially competent and capable of opening the proposed courses and run successfully in the future.

Now, keeping a great respect for such an institution, Final No Objection Certificate for the two above said courses has been issued.
