

RAMAKRISHNA MISSION
VIVEKANANDA EDUCATIONAL AND RESEARCH INSTITUTE
(Deemed to be University)
as declared by Government of India under Section 3 of UGC Act, 1956)
P.O. Belur Math, Dist. Howrah 711202, West Bengal, India

Ref.No.RKMVERI/PROF/PLANT-SC/2026

16 July 2026

**CALL FOR APPLICATIONS FOR A PROFESSOR IN THE
SCHOOL OF BIOLOGICAL SCIENCES**

Applications are invited for the position of a full-time Professor [on contractual basis for a year or two with consolidated (lumpsum) remuneration] from a senior level academician with substantial quality publications indicative of research of high standard and willing to engage in teaching, research, extension/outreach and other academic programmes in the School of Biological Sciences (place of work: approved 'Off-Campus' Centre at Ramakrishna Mission Centre at Narendrapur, West Bengal 700103) in the broad area of 'Plant Science' with specific reference to the following area(s) / field(s):

1. Plant Genetics and Molecular Marker-Assisted Breeding
2. Plant Biotechnology and Molecular Biology
3. Plant-Microbe interaction

Given that prospective applicants could feel that our financial offer does not quite match their academic status and achievements, our financial position being not quite strong, those who have just superannuated from a reputed Institute will be preferred as they will not only have vast research and teaching experience but will hopefully have reasonable financial stability to back them.

Applications by email addressed to the Registrar (email ID: registrar@gm.rkmvu.ac.in) with cc to the Pro-Chancellor (email ID: atmapriyananda@gm.rkmvu.ac.in) with full updated CV should reach us by 26 July 2026, 6.00 PM. Immediately thereafter, we will conduct an online interview to select one candidate.

Swami Kaleshananda
Registrar
